CONDITIONS

4. Claims

4.1 Notice and Reporting

In order to avoid forfeiture of any right under this insurance, any **Claim** for insurance indemnification or other insurance cover must be reported to the **Insurer**, in writing, within twelve months from the date when the **Insured** became aware that the **Claim** had been made against the **Insured**.

If the **Insured** does not report a **Claim** for insurance indemnification or other insurance cover in accordance with the first paragraph, the **Insured** forfeits his rights under this insurance.

In addition, in order to avoid forfeiture of any right to insurance indemnification or other insurance cover, action against the **Insurer** must be instigated within ten years from the date when the **Insured** became aware that the **claim** had been made against an **Insured**.

However, in the event a **Claim** for insurance indemnification or other insurance cover has been made in accordance with paragraph one above then action against the **Insurer** can always be instigated within six months after the **Insurer** has declared its final position regarding the **Claim** for insurance indemnification or other insurance cover.

Furthermore, when declaring its final position regarding the **Claim** for insurance indemnification or other insurance cover, the **Insurer** may demand in writing that action against the **Insurer** regarding the decision must be instigated within twelve months following receipt of such demand. In the event that action is not instigated within such twelve months' time, the right to obtain a modification of the **Insurer's** final position shall be forfeited.

All notifications relating to **Claims** or circumstances must be in writing or sent by mail to:

AIG Europe S.A.
Financial Lines Claims Department
Box 3506
103 69 STOCKHOLM

or

flclaimssweden@aig.com

The **Company's Responsible Officer** may, during the **Policy Period**, notify the **Insurer** of any circumstance reasonably expected to give rise to a **Claim** or an **Insured Event**. The notice must include the reasons for anticipating such a **Claim** or such an **Insured Event**, and full relevant particulars with respect to dates, the alleged, suspected, potential or supposed breach, the potential **Insured** and claimant(s) concerned, an estimate of possible loss and the potential media or regulatory consequences.

The provision of **Legal Services, First Response IT Services** or services by the **Crisis Consultant** under Insurance Cover A.1 - First Response or Section 1 - OSP First Response of the Outsource Service Provider Additional Coverage Section (if purchased) does not prejudice the rights of the **Insurer** under this **Policy**.

4.2 Related Claims, Insured Events or Circumstances

If notice of a **Claim**, an **Insured Event** or circumstance is given as required by this **Policy** then any subsequent **Claim**, **Insured Event** or circumstance that constitutes a **Single Claim** with that **Claim**, **Insured Event** or circumstance shall be deemed to have first been made at the same time as that circumstance was first notified, **Claim** was first made or other **Insured Event** first commenced, and reported to the **Insured** at the time the required notices were first provided.

4.3 Fraudulent Claims

If any **Insured** shall give any notice or claim cover for any **Loss** under this **Policy** knowing such notice or claim to be false or fraudulent as regards amounts or otherwise, such **Loss** shall be excluded from cover under the **Policy**, and the **Insurer** shall have the right, in its sole and absolute discretion, to avoid in full or in part as allowed by law its obligations under or void this **Policy** in its entirety, and in such case the corresponding cover for **Loss** under the **Policy** shall be forfeited and all premium deemed fully earned and non-refundable.

5. Defence and Settlement

5.1 Defence

The **Insured** must render all reasonable assistance to and cooperate with the **Insurer** in the investigation, defence, settlement or appeal of a **Claim**, an **Insured Event** or circumstance, and provide the **Insurer** with all relevant information pertaining to any **Claim**, **Insured Event** or circumstance, as the **Insurer** may reasonably require. In the event of a **Claim**, any **Insured Event** or circumstance each **Insured** shall take reasonable steps to reduce or diminish any **Loss**.

The **Insurer** does not assume any duty to defend and the **Insured** shall have the obligation to defend and contest any **Claim** or **Insured Event** made against them. The **Insurer** shall be entitled to participate fully in the defence and in the negotiation of any settlement that involves or appears reasonably likely to involve the **Insurer** making payment under the **Policy**.

5.2 Insurer's Consent

As a condition precedent to cover under this **Policy**, the **Insured** shall not admit or assume any liability, enter into any settlement agreement, or consent to any judgment or incur any **Defence Costs** or incur any amounts covered under Insurance Cover A.4 - Data Restoration, or Insurance Cover A.7 - Credit and ID Monitoring or incur any amounts where consent is required under any **Additional Coverage Section** without the **Insurer's** prior written consent (which shall not be unreasonably delayed or withheld). Only liabilities, settlements and judgments resulting from **Claims** defended in accordance with this **Policy** or other **Insured Events** handled in accordance with this **Policy** shall be recoverable as a **Loss** under this **Policy**.

Compliance with a legal obligation to give notice in respect of an actual or potential breach of **Data Protection Legislation** will not be considered as an admission of liability for the purposes of this Section 5.2 - Insurer's Consent.

5.3 Insured's Consent

The **Insurer** may make any settlement of any **Claim** or **Insured Event** it deems expedient with respect to any **Insured**, subject to such **Insured's** written consent (which shall not be unreasonably withheld or denied). If any **Insured** withholds consent to such settlement, the **Insurer's** liability for all **Loss** on account of such **Claim** or **Insured Event** shall not exceed the amount for which the **Insurer** could have settled such **Claim** or **Insured Event**, plus **Defence Costs** incurred as of the date such settlement was proposed in writing by the **Insurer**, less coinsurance (if any) and the applicable **Retention**.

5.4 Subrogation and Recovery

Where any amount is paid under this **Policy** in respect of a **Claim** or **Insured Event**, the **Insurer** shall be subrogated to all rights of recovery of the **Insured** (whether or not the **Insured** has been fully compensated for its actual loss). The **Insurer** shall be entitled to pursue and enforce such rights in the name of the **Insured** and the **Insured** shall provide the **Insurer** with all reasonable assistance and co-operation in this regard including the execution of any necessary documents. The **Insured** shall not do anything to prejudice the **Insurer's** rights of recovery. Any amount recovered in excess of the **Insurer's** total payment under this **Policy** (less any cost of recovery) shall be returned to the **Insured**. The **Insurer** shall not exercise any right of recovery against an employee of the **Company** unless the **Claim** or **Insured Event** is brought about or contributed to by any dishonest, fraudulent, criminal or malicious act or omission of that employee of the **Company**. The **Insurer** may at its sole discretion waive any of its rights of subrogation pursuant to this Section 5.4 - Subrogation and Recovery.

6. Limit of Liability and Retention

6.1 Limit of Liability

The total amount payable by the **Insurer** under this **Policy** and any **Additional Coverage Section** (as applicable) shall not exceed the **Limit of Liability**. Sublimits of liability, **Additional Coverage Sections** and any other fees, costs and expenses are part of that amount and are not payable in addition to the **Limit of Liability**. The inclusion of more than one **Insured** under this **Policy** does not operate to increase the total amount payable by the **Insurer** under this **Policy**.

In the event that another insurance is provided by the **Insurer** or any member company or affiliate of the **Insurer**, then the maximum amount payable by the **Insurer** under all such policies shall not exceed the **Limit of Liability** of that policy referred to above which has the highest applicable **Limit of Liability**. Nothing contained herein shall be

construed to increase the **Limit of Liability** of this **Policy**. To the extent that another insurance policy imposes upon the **Insurer** a duty to defend a claim, defence costs arising out of such a claim shall not be covered under this **Policy**.

6.2 Retention

The **Insurer** will only pay for any amount of **Loss** which is in excess of the **Retention**. The **Retention** amount is to be borne by the **Company** and shall remain uninsured.

No **Retention** is applicable to Insurance Covers A.1 - First Response or Section 1 - OSP First Response of the Outsource Service Provider Additional Coverage Section (if purchased).

A single **Retention** shall apply to **Loss** arising from all **Claims** and **Insured Events** that constitute a **Single Claim**.

In the event that a **Single Claim** triggers more than one **Retention**, then, as to such **Single Claim** the highest of such **Retentions** shall be deemed the **Retention** applicable to **Loss**.

7. General Provisions

7.1 Maintenance of Technology

The **Insured** will take all commercially reasonable steps to maintain data and information security procedures to no lesser standard than disclosed in the proposal form. The **Insured** will take all commercially reasonable steps to maintain software and hardware to current recommended industry standards.

The **Insured** will ensure that back-up systems and processes are maintained to no lesser standard than disclosed in the proposal form and that the ability to restore such data is regularly tested (at least every six (6) months).

7.2 Sanctions

The **Insurer** shall not be deemed to provide cover and the **Insurer** shall not be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose the **Insurer**, its parent company or its ultimate controlling entity to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or the United States of America.

7.3 Policy Purchase

In granting cover to the **Insured**, the **Insurer** has relied upon the material statements and particulars in the proposal together with its attachments and other information supplied. In the event of the **Insurer** being entitled to avoid this **Policy** from the inception date or from the time of any variation in cover, the **Insurer** may at its discretion maintain this **Policy** in full force, but exclude the consequences of any **Claim**, circumstance or **Insured Event** relating to any matter which ought to have been disclosed before the inception date or before any variation in cover.

7.4 Changes in Risk

The **Policyholder** shall notify the **Insurer** of any data which is materially different in quality, sensitivity or value from that which is disclosed in any proposal form, information or representation (a "**Data Change**"), provided to the **Insurer** prior to the inception date of the **Policy**. In the event of a **Data Change** cover may be extended under this **Policy** provided that the **Policyholder** gives the **Insurer** sufficient details to enable the **Insurer** to assess and evaluate the exposure with respect to such **Data Change** and the **Policyholder** accepts any consequential amendments to the **Policy** terms and conditions, including payment of additional premium required by the **Insurer**.

7.5 Assignment

This **Policy** and any rights under or in respect of it cannot be assigned without the prior written consent of the **Insurer**.

7.6 Cancellation by Policyholder

This **Policy** may be cancelled by the **Policyholder** providing written notice to the **Insurer**. If no **Claim** has been made or **Insured Event** has arisen and no circumstance has been notified prior to such cancellation, the **Insurer** shall retain 25% of the original premium plus the pro-rata proportion due for time on risk. Otherwise, the premium shall not be returned and shall be deemed fully earned at the inception date.

7.7 Cancellation by Insurer

This **Policy** may be cancelled by the **Insurer** delivering to the **Policyholder** by registered, certified, other first class mail or other reasonable delivery method, at the address of the **Policyholder** set out in the Schedule, written notice stating when, not less than thirty (30) days thereafter (ten (10) days in the event of cancellation for non-payment of premium), the cancellation shall be effective. Proof of mailing or delivery of such notice shall be sufficient proof of notice and this

Policy shall be deemed cancelled as to all **Insureds** at the date and hour specified in such notice. In such case, the **Insurer** shall be entitled to a pro-rata proportion of the premium. Payment or tender of any unearned premium by the **Insurer** shall not be a condition precedent to the effectiveness of cancellation, but such payment shall be made as soon as practicable.

7.8 Insolvency

Insolvency, receivership or bankruptcy of any **Insured** shall not relieve the **Insurer** of any of its obligations hereunder.

7.9 Interpretation

7.11 Disputes

Except as otherwise specifically provided in this **Policy**, any dispute regarding any aspect of this **Policy** or any matter relating to cover thereunder which cannot be resolved by agreement within 30 days, may be referred to binding arbitration by either party, upon giving seven (7) days' notice to the other, in the London Court of International Arbitration (LCIA), whose rules shall be deemed incorporated by reference to this Section 7.11 - Disputes, and the cost shall be borne equally between the Insured and Insurer.

7.12 Contracts (rights of third parties) Act 1999

The provisions under the UK Contracts (rights of third parties) Act 1999 shall not apply to this Insurance contract. However, any Third Party who claims to be entitled to compensation covered by the Insurance shall be able to present a direct demand against the insurer to the extent allowed by the Swedish Insurance Contracts Act, Chapter 9, Section 7.

7.13 Complaints

If a customer is not satisfied with the claims handling process (payment, delays, etc.) it is possible to lodge a complaint to the Insurer in writing to AIG Europe S.A, Claims Department, BOX 3506, 103 69 Stockholm.

The complaint shall include a reference to the claims- or policy number and a statement of the nature of the complaint.
